Location To Be Determined

We will be having an open house and tours of the Materials Recycling Facility (MRF) during the HHW event on April 20, 2019 at our Southfield location. Drop-off your HHW items using the truck entrance, then come to the front of the building to tour the facility and see how we process your recyclables. No appointment necessary, the facility will only be open to the public during the hours of 9:00 am - 2:00 pm on April 20th. Download our 2019 HHW (Household Hazardous Waste) flyer [here](#).

Crayola Recycles Markers for Schools

Crayola recycles markers at no cost to schools through their ColorCycle program that started in August 2013. The program is open to schools in the contiguous 48 states and parts of Canada. Shipping for the program is paid for by Crayola and free to schools. For more information visit the Crayola website [here](#).

**Always
safe**

**Never
sorry**

If your trash and recycling was delayed because of the inclement weather over the past few weeks, we would like to send a big thank you for your patience. Keeping the sanitation workers safe is a great priority.

Also, please remember to always slow down and be careful when driving around or being around sanitation trucks.

Got Waste? Wondering What Can Be Recycled? Use the RRRASOC Recycling Directory!

Visit rrrasoc.org and use the Recycling Directory search bar to type in keywords and get recycling, composting, reuse or disposal instructions.

The searchable, intuitive format of the Recycling Directory provides RRRASOC specific information.

The Recycling Directory is also available as a free mobile smartphone app. From your App Store or Google Play, search for "Recycling Authority".

NOT SURE WHAT TO DO WITH
STUFF?

COMPOST? RECYCLE? DONATE? TRASH?
