Curbside Food Waste Collection

A pilot food scrap recycling initiative was introduced for City of Wixom residents in April 2024. Through this program, City of Wixom residents can now dispose of their food waste with their yard waste at no extra cost. Moving forward, we would like to gauge the potential for expanding this program to surrounding RRRASOC communities. Our goal is to improve RRRASOC communities by providing excellent programs and services, and to move the needle toward our county-wide sustainability goals!

If you live in a RRRASOC community (*Farmington, Farmington Hills, Village of Milford, Milford Township, Novi, Southfield, South Lyon, Walled Lake, and Wixom*), please take **5 minutes** to complete the food scrap recycling survey below. By taking this survey, you will help us gather data for potential expansion of this program. Your response is greatly appreciated!
